WORK EXPERIENCE

Bloom Film Design, Bangkok, Thailand

January 2021 - January 2024

Compositor

- Designed and composited visually compelling commercial projects for global brands, ensuring cohesive alignment with branding and creative briefs.
- Contributed to the artistic direction and visual storytelling of commercials, enhancing the overall brand message and consumer engagement.
- Collaborated closely with directors and production teams to refine and implement creative ideas from concept to final delivery.
- Oversaw the execution of complex compositing and seamless integration of 2D/3D elements, ensuring visually polished and high-quality results for digital and broadcast media.
